YOUR DAY, YOUR WAY

WEDDING BREAKFAST

Whether you want your first meal as a married couple to be a lavish wedding breakfast or an afternoon tea on the lawn we have the menu for you. We source your first meal from a team of expert caterers who only deliver the best on the day . We pride ourselves in being bespoke and offer the option of dry hire where you take control or our dedicated estate manager can do the work for you .

WEDDING RECEPTION

Although our experienced wedding team will be on hand to help you plan your big day we want you to enjoy a free rein to style the wedding of your dreams as you wish. We are always happy to offer guidance on room layouts and decorations and share our little black book of tried and tested wedding suppliers but ultimately we want you to feel comfortable in making our spaces yours.

Into The Night

Middleton Hall offers total privacy and means the party doesn't have to end. Whether you want to dance the night away or put your feet up with some fine wine, The Hall is exclusively yours and well who are we to judge .

Our Spaces

The Hall

Entry to the hall is through the impressive, imposing porch and into the Grand Hall area, the perfect dining space. Stone mullioned windows on both sides of the hall allow light in to create a superb ambience. The grand oak staircase is a charming feature in its centre.

Adjacent to the Grand Hall is the Dining Room with its high ceilings decorated with Victorian cornices and wall panelling to complement the Italian marble fireplace. The Dining Room has a large picture window providing views down the private drive to the gardens and lake.

The Grounds

The grounds offer an abundance of space and backdrops for the perfect photos.

Head down to the lake and stand on our boating jetty for the perfect picture of lake side romance. We allow nature to do the talking for us and you will see plenty of it and hopefully so will your photographs.

Cross the path towards Lake Cottage and stand, with one of Britain's most beautiful beaches, Budle Bay, as your setting.
